PREFACE

As number seven of our cataloguing scheme, this part contains description of manuscripts deposited at Accn. No.25147 to 26646 totalling 1541. The pattern remains the same as adopted in the previous volumes. We have, however, made it more reference-worthy by adding extracts from important manuscripts given in the appendices. It is hoped that eight more volumes of the catalogues which are in different stages of preparation will appear at no distant date.

It is evident from the manuscripts catalogued that either most of them are mere commentaries on the well-known works or they are works in line with the usual Sanskrit writing tradition. Picked up as works of special significance, we have, the "Durgāvatī-prakāśa.'(68/25655)of Padmanābha Bhaṭṭācārya named after Dalpatiśāha's consort Durgāvatī. It is an essay like work on the Dharmaśāstra. The "Kumāra-sambhava." (1115/25552) of Navanīta Rāma Miśra composed in the times of Viṭṭhaleśvara is something that still needs further study. Inspired by Kālidāsa's Meghadūta, we have the "Bhramara-dūta" (1159/25167) of Khaṇderāma in keeping with the 'cloud messenger' tradition of the great poet. The "Sabhedāryā saptaśatī" (1173/25551) in the "Aryā" meters is yet another important manuscript by Gosvāmī Srīniketana. The author belonged to the scholarly family of the Tailaṅga Brahmins who had settled in Bikaner and made valuable contributions to Sanskrit literature in its manifold aspects. The said work reminds of the 'Gāthā' and the 'Aryā' Saptaśatī's of Hala and

Govarddhna. We close this hurried notice with the mention of the "Prāṇakṛṣṇīya-śabdābdhi-koṣa" (1300/25594) with 'setu' tīkā, a noteworthy lexicon for researchers. The compiler hailed from modern Orissa. The oldest manuscript catalogued is the "Karma-grantha-pañcaka" (639/25576-1) dated V. S. 1328.

For the sake of uniformity we have not changed the conventional abbreviations "f" and "ff" for "folio" and "folios" as adopted in the previous set of catalogues.

Shri Vinaya Sagar and Dr. D. B. Khsirsagar have put in much labour in the preparation of this volume. Shri Giridhar Vallabh Dadhich, Junior Technical Assistant, deserves due praise for devoting much time to proof-reading and for the quick disposal of all press work.

I have to offer my thanks to the managers "Sadhana Press" and the"Himalaya printers" for their patient cooperation while the work was in Press.

For errors and omissions which might have crept in I seek the indulgence of the readers.

J. K. JAIN
